

Note: This must be done on the Server machine in the practice. Select Start and type Services in the field below – double click on Services (shown next to arrow below)

The screenshot shows a medical software application window titled "MedTech-32 Ministry of Health". The patient information at the top reads: "SEVENTEEN Lucy (130344.1)", "133 Molesworth Street, Thorndon, 0212653530", "A 3 - R", "CSC", "ZCJ2321", "10 May 1988 31 yrs", "Female", "0.00", "SFE A-?", "RP".

There are two main panels in the software: "Patient Medications" on the left and "New Consultation" on the right. The "Patient Medications" panel contains a table with the following data:

Rep	Date	Drug Name	Qty	Directions	Amount	Prov	Classifica
<input type="checkbox"/>	13 Jun 2019	Salbutamol 100 Microgram/Actuation Inhalation	2	9 actuation, As Required	14.06	SFE	
<input type="checkbox"/>	13 Jun 2019	Paracetamol 120 Mg/5 MI Oral Liquid	200	5 mL, Every Four Hours	1979.50	SFE	
<input type="checkbox"/>	12 Jun 2019	Alendronic Acid 40 Mg Tablet	30	1 tablet, Once Daily	7381.50	SFE	

The "New Consultation" panel has tabs for "Main", "More", and "Audit". It contains sections for "Subjective" and "Objective" notes. Below these is a list of prescriptions:

- 1. 200 - Paracetamol 120 Mg/5 MI Oral Liquid - 5 mL, Eve
- 1. 2 - Salbutamol 100 Microgram/Actuation Inhalation: Pre
- e Prescription-SFE-25VK6VX95CFG5CK7W6

A Windows Start menu search overlay is open in the foreground. The search bar contains the text "services" and is circled in red. A red arrow points to the "Services" option in the search results. The search results are categorized as follows:

- Programs (3): Services (highlighted), Component Services, services
- Control Panel (6): View local services, Manage Information Cards that are used to log on to online ser..., Windows CardSpace
- Documents (42): SOAPUIPRO-ADDRESS-SERVICES-soapui-project1, Letter of Intent, NHIPatientIdentityService-v3-soapui-project
- Files (3): eng, fre, ger

The Windows taskbar at the bottom shows the Start button, which is also pointed to by a red arrow. The system tray on the right shows the date and time: "10:05 a.m. 13/06/2019".

Find Medtech Services in the list and select Stop the Service, once the service has stopped , select Start the Service.
